Advertised-price median minus insurer valuation: \$3,200.00 (18.82%); not a settlement determination.

## Market comparison

Search filters: 2024 Hyundai Elantra SEL FWD. Ranked by year, trim, mileage, distance; price was not a selection criterion. 2 recorded search areas: 100 miles around ZIP 63026; 100 miles around Marion-Herrin, IL Micro Area. Selected: 9 vehicles (distinct VINs); observed mileages: 50,000-50,120 miles. Loss-date evidence: Aug 26, 2026. Source: MarketCheck.

## Reason for review

The 9 listings for 2024 Hyundai Elantra SEL vehicles have asking prices above the insurer's \$17,000.00 valuation. Their mileages are 50,000-50,120 versus 50,000 for the reviewed vehicle; no mileage dollar adjustments were made.

Insurer comparable details were unavailable in the reviewed records, so their adjustments could not be compared.

Please reconsider the vehicle valuation in light of the documented comparable listings. If a different valuation is maintained, please explain the material differences or adjustments supporting it.

## Comparable evidence
